## Lankhorst Recycling Products

A trade name of Lankhorst Engineered Products by

# KLP<sup>®</sup>-V Glass Fiber Reinforced Pile Planking

KLP<sup>®</sup>-V Glass Fiber Reinforced Pile Planking offers you a robust and sustainable solution with respect to bank support.

KLP<sup>®</sup> has a minimum technical lifetime of 50 years, it doesn't rot or splinter and requires no maintenance and doesn't contain poisonous substances.

KLP<sup>®</sup>-V Pile Planking consists of solid plastic tongue and groove planks. A robust construction that is water-permeable at the same time. There are various sizes and designs to choose from.

Our range also offers **KLP<sup>®</sup> Fenders** (steel reinforced or glass fibre reinforced) for a solid construction. A total and sustainable solution to your piling and bank support needs.

KLP<sup>®</sup> can easily be sawn, drilled, planed, nailed, stapled and screwed. We offer you fitting instructions and advice on construction.
